Sir:

Attached is a copy of the official filing receipt received from the Patent and Trademark Office in the above application for which issuance of a corrected filing receipt is respectfully requested.

There is an error with respect to the title of the invention of the above-noted application. The title of the invention was incorrectly cited as "4-amino-azepan-3-one compounds as cathepsin k inhibitors useful in the treatment of osteoporosis." The correct title should read "Cathepsin cysteine protease inhibitors." This correction has been noted on the copy of the attached filing receipt.

This correction is not due to any error by Applicants, and therefore, no fee is believed to be due.

Respectfully submitted,

By:
